### AFTERMATH OF THANKSGIVING FOOTBALL UNPLEASANTNESS

#### HARVARD RIPS UP YALE AND WEST POINT DOWNS QUAKERS

CAMBRIDGE, Mass., Nov. 23.—Something like 35,000 graduates, undergraduates and the football enthusiasts from all parts of New England flocked into Cambridge today, prepared to brave snow, rain or blustering winter wind in order to see the match on Soldiers' field this afternoon between the hitherto unbeaten eleven of Harvard and Yale. The followers of Yale seemed very confident that they would win, while every undergraduate at Harvard was strong in the belief that the team representing the crimson would carry out President Roosevelt's admonition to fight to the very last ditch. The betting was in favor of Yale at odds of about 5 to 4. A number of these bets, however, had strings to them by reason of the report of last night that Cutts, the big Harvard tackle, might be ruled out of the game because of his salaried connection with athletics at the Haverford Academy, Pennsylvania.

As the morning wore on the weather showed no signs of improvement, but still as it did not actually storm there seemed to be good prospects at 11 o'clock that the players would find a hard, dry field.

The announced line-up this morning was as follows:

Harvard.	Yale.
Campbell (c.)	Left end.
Bladen	Left tackle.
Lee	Left guard.
Sargent	Center.
Barnard	Right guard.
Cutts	Right tackle.
Mowditch	Right end.
Marshall	Quarterback.
Ristine	Right halfback.
Graydon	Fullback.
	Weymouth

CAMBRIDGE, Mass., Nov. 23.—Harvard makes a touchdown. Score—Harvard 5, Yale 0.

Bladen made the touchdown. Cutts kicked a goal. Score—Harvard 6, Yale 0.

Ristine made another touchdown. Cutts kicked goal. Score—Harvard 12, Yale 0.

Marshall for Harvard kicked goal from the field. Score—Harvard 17, Yale 0.

#### THE CHAMPION TWO YEAR OLDS

The defeat in the rich Matron Stakes at Morris Park of William C. Whitney's Futurity winning Hanover colt Yankee, by Clarence Mackay's Heno, does not conclusively prove the latter to be the best of this season's two-year-old colts, but it is convincing evidence that Heno is among the very best, and that his poor showing in the Futurity was because he was green and fretted by the delay at the start, and not because he lacked speed. This, added to the Dash Stakes, makes Heno's second notable victory, and it is a pleasure to record such early successes by a sportsman of Mr. Mackay's stamp. The more converts to the turf of this kind of owner the better for the turf.

The question of the speediest two-year-old of the year, is a nice and interesting one. Among Yankee, Nasturtium and Heno there is little choice; Nasturtium did not do himself justice in the Futurity, and Yankee was conceding seven pounds to Heno in the race of his first defeat this year at Morris Park. All three are great colts, and a race at even weights would be sport for kings indeed.

Of the season's two-year-old fillies, Endurance-by-Right, by Inspector B, out of Early Morn, appears to have a pretty clear title to the championship, even though Blue Girl be taken into consideration. She was bred by Colonel Young and, as a yearling, sold to Col. William Barnes for \$250. Last year Mr. Schorr bought her for \$5,200, and recently Mr. Whitney purchased her for a sum said to be \$35,000. She has raced steadily this season, and though losing to Nasturtium and Goldsmith, has beaten Heno in very fast time; she is a filly of great speed and stamina, as has more than once been shown in 1901. Mr. Whitney now has an incomparably strong stable of two-year-olds—with Yankee, Nasturtium, Endurance-by-Right, Blue Girl, Goldsmith, King Hanover, Gundre. There is assurance of the strongest three-year-old division next season we have had in years, including Heno and Lenora Loring—Outing.

First half ended as Campbell downed De Saules on Yale's 10-yard line. Score—Harvard 17, Yale 0.

WEST POINT, N. Y., Nov. 20.—The University of Pennsylvania football team was defeated by West Point Military Academy today, and incidentally suffered one of the worst defeats in her football history. The score, 24 to 0, shows how West Point outplayed the Pennsylvania. The visitors put up a stiff game, however, and were beaten simply because of West Point's superiority.

After Pennsylvania kicked off the ball was in West Point's possession on her own 20-yard line. Bunker, Graves and Casard, with excellent interference, carried the ball to Pennsylvania's 15-yard line, where Pennsylvania was given the ball for off-side play. Pennsylvania, however, was forced to kick. Again West Point, by center rushes and a pretty hurdle of Bunker, carried the ball to Pennsylvania's 10-yard line, where Casard was forced over for a touchdown. Daily kicked a goal. Score—West Point 6, Pennsylvania 0.

After the next kick-off Pennsylvania secured the ball, and, by a series of trick plays and revolving circles, forced West Point back for thirty yards; but West Point was given the ball for off-side play, and again worked it down the field and pushed Bunker over for a touchdown. Daily kicked a goal, making the score—West Point 12, Pennsylvania 0.

In the second half West Point kicked off to Reynolds, who was downed on the Pennsylvania 20-yard line, after running 10 yards. Pennsylvania made the first down three or four times by revolving plays and a double pass, when she was forced to kick. West Point again worked toward Pennsylvania's goal, and when on Pennsylvania's 25-yard line Farnsworth was put through the line and made a touchdown. Daily kicked a goal. Score—West Point 18, Pennsylvania 0.

On the next line-up, after an exchange of punts, Daly, on a fake kick, simply twisted, zigzagged and stole his way through the whole Pennsylvania team and ran 65 yards for a touchdown, which, however, was not allowed on account of holding by West Point.

Peninsula was given the ball, but was soon forced to kick to Daly, who was downed on West Point's 40-yard line. Then began a series of rushes, until the ball was again on Pennsylvania's 35-yard line, where McAndrew was put through the line, and he sprinted for another touchdown. Daily kicked the goal. Score—West Point 24, Pennsylvania 0.

#### THE CHRISTIAN ATHLETES ACTIVE

Next Friday evening the first of the Young Men's Christian Association indoor athletic contests takes place. Next Tuesday evening a meeting of those interested will be held, at which the program will be discussed and entries received. There is a probability that some of the events may be changed provided a majority of the intending competitors so wish it. The events as at present arranged are:

Eighteen-foot rope climb, shot put, pole vault, spring-board high jump, fence vault.

The spring-board high jump may be changed to a plain high jump, and the fence vault to a rope skip. The fence vault is new to Honolulu and has not yet "caught on."

The second meet will be held on February 28th and the third on May 16th. The prizes for the three best aggregate scores will consist of gold, silver and bronze international Y. M. C. A. Committee medals.

The business meeting of the Harriers Club which was to have been held last night was again postponed, this time on account of the Scotch dance at Progress Hall.

Physical Director Young is planning two gymnastic contests in gymnasium work pure and simple. The first will take place in January and the second in April. The program will consist of bar and dumb bell, horse, parallel and horizontal bar work. The first contest will embrace elementary and the second advanced work.

The indoor baseball league is looming up again, and practice has already commenced. The teams entered are: Business men, evening classes and intermediate. The former were last year's shield winners. The first game will take place next Saturday evening. A meeting will be held next Monday evening to draw up a schedule of games and arrange teams.

Roeber, the champion wrestler, defeated Nachad, the Turk, in New York. The winner announced his retirement from the sport.

In view of the unhappy and disgraceful occurrences during the Thanksgiving game at Punahou, notice is hereby given that the privilege of the Punahou grounds will in the future be withdrawn from any club whose team may be responsible for a like occurrence. This shall apply to all athletic contests for which the grounds are granted to down town clubs. If gentlemen comprising these clubs and their respective teams do not know what clean, gentlemanly sport is, or if they are weak-minded enough to bring athletics down to the level of prize ring arguments and methods, Punahou will certainly not give them the privilege.

#### OLDEST COMMISSARY SERGT. IN THE TRANSPORT SERVICE

Sergeant L. V. de Birney has grown gray in the service of his country. Along about 1880 he did rough work with the Texas Rangers on the shores of the Rio Grande. He served from 1881 until a few years ago in the regiments of the Sixteenth, Eighteenth and Nineteenth Infantry. When the Spanish war broke out he filled the post of commissary sergeant on the transport ship, and after a trip or two to the Philippines, was transferred to the Mendocino, to which vessel he is still attached.

them its encouragement in any form whatsoever.

The following protest has been received by the secretary of the league:

Honolulu, November 29, 1901.  
To George Lucas, Secretary Hawaiian Football League.

Dear Sir:—On behalf of the Honolulu Athletic Football Team I wish to present and enter a protest to the game played between the Punahou Athletic and the Honolulu Athletic Football Teams on the 28th November inst., in that Geo. R. Carter was incompetent and impartial to act as Umpire during said game as proved by his rulings and misinterpretation of the playing rules.

That during the progress of the game it was apparent that said Carter used a cane to indicate cessation of play on downs or fouls, although the rules prescribe the use of a "whistle."

That during the first half of the said game the Umpire deliberately allowed the Punahou Team a touchdown after he had declared cessation of play by raising his cane, on account of an off-side play by the Honolulu Athletic Football Team, which ruling was contrary to Rule 28 Section H.

This protest is respectfully submitted for the proper consideration of the league.

(Signed) JOHN H. WISE,  
Captain Honolulu Athletic Football Team.

Following is the rule which Umpire George R. Carter enforced during the game on Thursday.

Whenever the umpire notices or is informed by the referee or line men that a substitute or any other person not participating in the game is coaching, he shall immediately exclude the offender for the remainder of the game from the neighborhood of the field of play; i. e. send the offender behind the ropes or fence surrounding the field of play.—Page 129, Spalding's Guide for 1901.

#### POLO PLAYERS PERFECT PLANS PERTAINING TO PRACTICE

The regular monthly meeting of the executive committee of the Oahu Polo Club was held yesterday afternoon in the office of W. F. Dillingham.

It was proposed to establish a schedule of games, which schedule, subject to modifications, should regulate the play throughout the early part of the season; the idea being to give each team an opportunity to play every other team two or three times before the time for selecting an inter-island team came round.

It was proposed that only one set match should be played each Saturday, and that regular matches should commence at 3:30 p. m. sharp. Also, that there be four periods to each match, divided in time as follows: First, 15 minutes gross time; second, 15 minutes; third, 10 minutes; and fourth, 10 minutes. The interval between the first, second and third periods to be 7 minutes, and between the third and fourth periods, 3 minutes, no time allowance being made for "out of bounds" or goals, and the referee to use his own discretion in taking out time for accidents.

The proposition embodied that teams in practice games be made up of players on the field not engaged in a match that day, such practice game to be played before the match game, or in the intervals of rest, providing such game does not interfere with the regular match set for that day.

The above was moved and carried, and the captain was authorized to draw up a schedule of games.

The Incas and Hornets will play at Kapiolani Park this afternoon, commencing at 3:30 o'clock. Following are the teams:

Incas—G. C. Potter, 1; C. H. Rice, 2; W. F. Dillingham, 3; R. Atkinson, back.

Lieutenant Hancock will referee the game, which will be a non-handicap affair.

Joe Tobin, of the Hornet's team, is an old Burlingame player, and his presence should be a decided acquisition to his side.
